

# WYATT WHITAKER

Senior Associate,  
Brokerage

## EXPERTISE

---

As an advisor to owners and tenants, Wyatt focuses on helping clients make informed real estate decisions that align with their business objectives. Specializing in self-storage, retail and automotive properties, he works closely with property owners, brokers and developers in providing expertise in investment sales, site selection, market analysis and asset valuation at properties across Georgia.

Wyatt takes a data-driven, practical approach to real estate, whether advising on self-storage market trends, identifying prime retail locations for tenants or evaluating development opportunities. With his results-oriented approach, he is dedicated to delivering strategic solutions that maximize value for his clients.
